Elements of the “Formation for this Moment” Template

Topic. The topic section orients you to the primary topic or theme of formation experience.

Grey Information Box. Right below the topic is a grey box that provides a snapshot of preparation and additional resources. Underlined text are hyperlinks to additional resources.

Formation Focus. Highlighted within the grey box will be the focus. And this focus will fall into one of the 4 dimensions of formation: Mission & Values | History & Heritage | Spirituality & Vocation | Ethics, Discernment & CST.

Prepare Section. Review this section thoroughly. Read the linked articles. Listen to the podcasts. Reflect on the quote. Do the personal work to engage with this material. Ideally, do it a few days before and allow your subconscious to interact with what you are learning. Sometimes “sleeping on it” provides deeper insights.

Facilitate Section. Read through the talking points. This section gives you all that you need to facilitate an effective formation experience. A prayer is provided as an option that can be customized to fit your context. When additional talking points or needed, sometimes these will be provided on the second page.
